**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a customer of this company.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I protest a 17% rate increase for Duke Power's customers. With a huge profit margin and a monopoly on local supply and demand, there is absolutely no reason that they should be entitled to this increase. I ask the South Carolina commission to do the right thing and say NO!!!

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***  
(This section should be completed.)
